Conflict Materials Declaration

As defined in the 2010 United States of America legislation
Dodd-Frank Wall Street Reform & Consumer Protection Act
Section 1502(e)(4)

Cirteq (ti tg emeyer) Ltd. (DUN's Unique ID Number 779587724) certify & declare that we do not use any of the materials (or their derivatives) listed below; these are n o necessary to the functionality or production of the company's products that we manufacture or contract to manufacture:

Tantalum (Ta), Gold (Au), Tungsten (W)

We do however produce a small number of customer specific components manufactured from Phosphor Bronze which contains 2% Tin (Sn). The material is purchased only from Aurubis Stolberg GmbH & Co KG Germany and TinPowder from Ronald Brittan Ltd who provide us with Tin (Sn);the following supplier CMRT declarations are available on out Website:

We undertake reasonable due diligence within our supply chain to assure that Sn is not procured from conflict regions. For the time being all virgin Sn is procured from German metal traders who ensure that the origin of their Sn is Asia.

We assure this by committing our supplier to always provide a certificate of origin for each single delivery. We only ensure the above issue for virgin Sn and not for any Sn containing scraps.
